Subject: VB/I-70 site - next steps
When: Wednesday, September 24, 2014 1:00 PM-2:30 PM (UTC-07:00) Mountain Time (US & Canada).
Where: TBD

Good morning everyone. I am assisting Celia with setting up this meeting. I apologize for the late notice and have set this meeting as tentative as I begin my effort to get all of you wonderful folks together. Ms. Paula S or Mr. Richard S, once a date/time is confirmed would there be a conference room at EPA that could be used? If not I can find a location at the Webb or in the EQD building.

Meeting request:

Celia VanDerLoop: We need to convene a meeting with CDPHE, EPA, and Denver to keep things moving on the Time Critical Removal front. At that meeting, we'll talk about AOC status and needs, SOW status and needs, administrative requirements (Admin Record, public process, etc.), design concepts, etc. We'll want to bring someone from PW and someone from Urban Drainage.

Rose: Can you schedule this meeting? I'd like to get this moving as soon as we can. From Denver, we'll need Zach, Jessica, Lisa, me, someone from PW which I assume is Selena or Tom so am cc'ing both,

someone from Urban Drainage, and I'll leave it to Gregg on whether he wants to attend or not. I'd like to meet in September – perhaps the third week and probably schedule for 90 minutes. Let's ask EPA to host or we could host.
